KEY COMPONENTS of the PVMA HEALTH INSURANCE PLAN

The PHCS Network includes more than 4,700 hospitals, 94,000 ancillary facilities, and almost one million health care professional service locations. Access the following link to check for providers: www.multiplan.com/webcenter/portal/ProvideSearch?SiteId=84524

If you would like to search for hospitals and clinics, follow these steps:

1. Click on link above
2. Click on "Change Network"
3. Re-select "PHCS"
4. Select "Hospital Only"
5. Search for the facility name

Prescription Network offers employees access to thousands of pharmacies to provide prescriptions at a cost-effective rate.
